

ACOULINE 3 QUARTER SLIMLINE TAB BRACKET

SKU: AH-LTABMS

The Acouline 3Q Tab Bracket is designed for use with workstations where components of the workstation underframe are positioned close to the outer edges of the work surface. This bracket is ideal for mounting return screens or the return sections of wrap screens, and is supplied as a set of two brackets in a Black or White finish.

Suitable for screens with a thickness of 12–24mm, this bracket is specifically designed for use with 600mm high screens that extend both above and below the desktop, positioning the screen 420mm above the work surface and 180mm below. The bracket mounts securely to the underside of the work surface and is backed by a 10-year warranty.
