
ACOULINE 3 QUARTER MOUNT SCREENS

SKU: AP-MS3QUARTSCREEN

Create a quieter, more focused workspace with Acouline 3 Quarter Mount Screen Workstation Panels. Designed to provide personal acoustic privacy, these high-density divider screens help minimise distractions from surrounding conversations, phone calls, and keyboard noise in busy office environments.

Featuring sleek 50mm radial corners for a modern finish, the panels are available in 12mm or 24mm thicknesses and multiple widths to suit 1200mm, 1500mm, and 1800mm desktops. A divider screen option is also available to create separation between users and enhance individual focus.

Ideal for high-energy workplaces, Acouline workstation screens help treat noise at the source, fostering concentration, comfort, and productivity throughout the day.
