

ACOULINE QUARTER SCREENS - DOUBLE END WRAP

SKU: AP-MSDBLENWPSCREEN

Transform open-plan workstations into more private and focused spaces with Acouline Double End Wrap Screens. Designed to extend beyond the desktop and wrap around each end of the workstation, these acoustic panels help define individual work zones while reducing surrounding noise and visual distractions.

Available in 2000mm wide screens to suit 1200mm desktops, 2300mm wide screens to suit 1500mm desktops, and 2600mm wide screens to suit 1800mm desktops, Acouline Double End Wrap Screens provide a seamless and architectural finish to modern workstation layouts.

Featuring clean lines, smooth radial corners, and high-density acoustic construction, the screens help create a quieter and more comfortable environment for focused work. Available in two heights and two panel thicknesses, they can be tailored to suit a variety of workspace requirements and privacy needs.
