

ACOULINE QUARTER SCREENS - SINGLE END WRAP - RIGHT RETURN

SKU: AP-MSRIGHTSEWC

Enhance individual privacy and reduce workplace distractions with the Acouline Single End Wrap 3 Quarter Screen. Featuring a 90-degree fold with a right-hand return, this acoustic screen extends beyond the desktop on one side to create a more enclosed and focused workstation setting.

Designed with a 400mm right-hand screen return, the panel helps minimise surrounding noise and visual interruptions while adding a clean architectural look to the workspace. Available in a choice of 12mm or 24mm thicknesses and 600mm or 800mm overall heights, the screen can be tailored to suit different acoustic and privacy requirements.

Available in 1600mm wide screens to suit 1200mm worktops, 1900mm wide screens for 1500mm worktops, and 2200mm wide screens for 1800mm worktops. Each screen features smooth 50mm radial corners for a refined and modern finish.

Ideal for open-plan offices, Acouline Single End Wrap Screens help create quieter, more comfortable workspaces that support focus and productivity throughout the day.
