

ACOULINE SLIDE ON DESK SCREEN

SKU: AP-MSSLIDEDKSCREEN

Add subtle privacy and acoustic separation to shared workspaces with Acouline Slide On Desk Screens. Designed to install quickly and effortlessly, these screens slide directly onto the desktop to create defined individual work zones without disrupting the open feel of the office.

Available in a choice of 12mm or 24mm thicknesses and 300mm, 400mm, or 600mm heights, the screens can be customised to suit different workspace layouts and privacy requirements. Choose between Hook Cut or Bloc Cut designs to complement a variety of workstation styles.

With their clean, streamlined appearance and simple installation, Acouline Slide On Desk Screens provide an effective way to reduce visual distractions while maintaining a modern and collaborative workspace environment.
