

## ACOULINE WALL PANEL - V GROOVE ASCEND

**SKU:** AP-MSWPVGASCEND

Introduce clean linear detailing and acoustic comfort to interior spaces with Acouline Wall Panels in the V Groove Ascend pattern. Featuring refined horizontal groove lines, this contemporary design adds subtle texture and visual flow while enhancing the acoustic performance of the environment.

Designed to absorb sound and minimise echo, Acouline Wall Panels help improve speech clarity and create quieter, more comfortable spaces across offices, meeting rooms, reception areas, and collaborative environments. The horizontal V Groove Ascend pattern creates a sleek architectural look that complements modern workplace interiors.

Combining practical acoustic control with sophisticated design, Acouline Wall Panels in the V Groove Ascend pattern provide a stylish solution for improving both workplace aesthetics and everyday acoustic comfort.
