

## APOLLO SLED BASE STACKING CHAIR

**SKU:** APOLLOMS

The Apollo Chair is a smart, durable, and space-effective seating solution designed to withstand heavy use without sacrificing comfort. Featuring a Black Polypropylene Seat and Back Rest, the Apollo combines a rugged build with practical features like a 150kg weight rating and an easy-to-clean finish. For added comfort, the Apollo is also available with an upholstered Black Vinyl Seat Pad option. Its efficient, stackable design makes it the ideal choice for breakout and training areas that demand quality and versatility.

An Apollo Trolley is also available, allowing for convenient transport and storage of up to 25 stacked chairs.
