BENCH SEAT WITH OVERHEAD HANGING RAIL

SKU: GBSOHR-1500 TEAK/BK

Bring practicality and presence to commercial spaces with the Bench Seat with Overhead Hanging Rail. Combining seating and vertical utility in one streamlined design, it is well suited to entry areas, end-of-trip facilities, changerooms, and shared environments where durability and function matter.

It features teak coloured Mod Wood timber slats for a warm, low-maintenance finish, along with a 450mm seat height for everyday comfort. Adjustable leveling feet with bolt-down provision add stability and flexibility for commercial installation, and a 3-year warranty provides added peace of mind.
