

BOOST CRANK BACK TO BACK WORKSTATION WITH SCREEN AND CABLE TRAY

As the newest and most affordable addition to the Boost+ range, the Boost Crank presents a manual height-adjustable workstation solution available in single sided, back to back and corner configurations.

The manual crank mechanism allows for easy height adjustment, while the durable table top and sturdy underframe provide a stable and efficient workspace.

Add on an integrated cable management system to keep your workspace tidy, or an optional privacy screen to reduce noise and offer privacy while working.

Backed by a 10 year warranty.
