

BOOST STATIC BACK TO BACK WORKSTATION WITH SCREEN AND CABLE TRAY

The Rapidline Boost Static Back to Back Workstation is a reliable and stylish fixed height desk that perfectly complements the Boost+ range. Designed to meet your workspace needs, this workstation combines functionality, durability, and a sleek aesthetic.

The E0 Rated 25mm thick table top ensures durability and resistance to wear and tear. The 50mm D scallop cut out to the rear provides convenient cable management, keeping your workspace organised and clutter free.

The underframe, finished in a powder coat, offers stability and a modern look, seamlessly integrating with your office decor. With a 10year warranty, you can trust in the quality and longevity of this workstation.

Additional items are also available to enhance your workspace, including a cable tray complete with power and data punchouts, ensuring efficient connectivity.
