

BOOST STATIC SINGLE WORKSTATION WITH SCREEN AND CABLE TRAY

The Boost Static Single Sided Workstation is a reliable and stylish fixed-height desk that perfectly complements the Boost+ range. Designed to meet your workspace needs, this workstation combines functionality, durability, and a sleek aesthetic.

The E0 Rated 25mm thick table top, finished in Natural Oak or White with rigid edging, not only adds a touch of elegance but also ensures durability and resistance to wear and tear. The 50mm D scallop cut out to the rear provides convenient cable management, keeping your workspace organised and clutter-free.

The underframe, finished in a powder coat, offers stability and a modern look, seamlessly integrating with your office decor. With a 10-year warranty, you can trust in the quality and longevity of this workstation.

Additional items are also available to enhance your workspace, including a cable tray complete with power and data punch-outs, ensuring efficient connectivity.
