

## CORE SINGLE GAS SPRING MONITOR ARM

**SKU:** CSMA1 BK

The Core Single Monitor Arm delivers flexible, ergonomic monitor positioning for modern workstations. Featuring a gas spring mechanism for smooth adjustment and quick-release VESA compatibility (75mm x 75mm & 100mm x 100mm), it supports monitors 17"–30" with a 2–9kg load capacity. A tilt range of -90° to +15° allows easy screen positioning, while clamp and grommet fixings provide secure installation. Finished in black and backed by a 10-year warranty, it’s a durable solution for efficient workspace setup.
