

DRUM BASE D-END TABLE

SKU: DB-DEND1810

Create a sleek, grounded meeting setting with the Drum D-End Meeting Table. Designed for commercial use, it brings together practical functionality and dependable durability for boardrooms, meeting areas, and collaborative spaces.

It offers a generous work surface for everyday meetings and team discussions. The tabletop with matching edge tape provides a clean, refined look, while the drum base delivers sturdy support with a modern profile. Made from E0 Enviroboard, it is built for lasting performance in busy commercial environments. Adjustable leveling feet help achieve stability on uneven floors, a wall fixing plinth is included for straightforward installation, and the 5-year warranty provides long-term confidence.
