

ESTILO D-END TABLE

SKU: CBDETMS

Build a strong, modern meeting space with the Estilo D-End Meeting Table. Made for commercial interiors, it combines a bold look with reliable everyday performance for meeting rooms, collaborative zones, and professional breakout areas.

It provides ample room for team discussions and day-to-day workspace use. The E0 melamine D-end tabletop delivers a durable, low-maintenance surface, while the single disc base underframe creates a clean, stable foundation. A wall fixing plinth is included for simple installation, and the 5-year warranty offers added peace of mind for long-term commercial use.
