## FLEXI JUNIOR STACKING CHAIR

**SKU:** FLEXISMLMS

Versatile, vibrant, and built for flexibility, the Flexi Stacker Chair is a practical seating solution that adapts to a wide range of learning, community, and breakout spaces. Part of the Flexi Stacker Range, it is designed to bring adaptable, functional seating to spaces that need to support different users and activities throughout the day.

Featuring a durable, lightweight design, this junior stacking chair is easy to move, stack, and store, making it ideal for early learning settings, classrooms, community spaces, and multipurpose areas. Its practical construction supports everyday use while offering a simple, space-efficient seating option for younger users.

Manufactured with UV treatment, the Flexi Stacker Chair is suitable for outdoor use, providing added durability against sun exposure and making it a reliable option for both indoor and outdoor environments.

Backed by a 5-year warranty (1-year warranty on UV treatment), the Flexi Stacker Chair delivers adaptable, colourful, and practical seating for dynamic spaces.

Also available with mix and match backrest add ons.
