

MERIDA HIGH BACK CHAIR

Experience the ultimate blend of comfort and functionality with the Rapidline Merida High Back Mesh Operator Chair.

Designed to elevate your workspace, this chair offers a range of features to enhance your seating experience. The height adjustable ratchet back ensures optimal back support, allowing you to find the perfect position for long hours of work. While the ergonomic 4 lever mechanism and seat slide provide complete control over your seating adjustments, providing personalised comfort.

The heavy-duty five-star spider base, equipped with 50mm hard floor castors, ensures stability and smooth mobility across different surfaces.

Sink into the quality heavy-duty molded foam seat, designed for exceptional comfort and support, and with an AFRDI load rating of up to 160kg, you can have peace of mind that it is built to withstand heavy use and weight load.
