NYX BAR STOOL - 650H

SKU: NYX650MS

The Nyx delivers a warm, sophisticated look while offering comfortable support for professional seating at counters, islands, and shared spaces.

Built on a robust four-leg steel frame finished in a durable powder coat, the Nyx combines stability with contemporary design. The 650mm seat height is perfectly suited for lower counter settings, making it an ideal choice for kitchens, breakrooms, and collaborative work areas.

Designed for both style and strength, the Nyx Low Height Counter Stool is made to stand up to daily use and is confidently supported by a 5-year warranty.
