

PULSE HANGING SCREEN

SKU: AP-MSHSPULSE

Define space without closing it in. Acouline Hanging Screens introduce privacy, texture, and acoustic comfort to open-plan environments through a series of suspended vertical forms. Available in a range of precision cut patterns, they help soften sound movement while allowing light and sightlines to pass through. The result is a lightweight architectural feature that brings rhythm, colour, and greater focus to shared workspaces.

NRC: 0.85
Composition: 100% Polyester [PET]
Fire Rating: Group 1 (AS 5637.1) – Tested to AS ISO 9705-2003 (R2016)
