

STEEL MESH 3 DOOR LOCKER

SKU: SML-915/3 GR

Built for secure, everyday storage, the Steel Mesh Three Door Locker brings strength, visibility, and airflow to commercial environments. Its mesh design makes it especially suited to staff areas, industrial settings, end-of-trip facilities, and shared spaces where durability and practicality are essential.

A lockable door supplied with 2 keys and adjustable leveling feet completes the design, while the 10-year warranty speaks to its long-term commercial performance.
