

V GROOVE GLIDE SPAN HANGING CEILING PANELS

SKU: AP-MSSPANCPVGG

Create a striking overhead feature while enhancing acoustic comfort throughout the space. Acouline Span Ceiling Panels introduce scale, texture, and rhythm above the workplace, helping to moderate sound and improve the overall atmosphere. Offered in a variety of sizes, patterns, and configurations, Span panels can be arranged to form unique compositions that complement the surrounding architecture. The result is a distinctive ceiling installation that combines functional acoustic treatment with strong visual expression.
