

ZEPHYR CHAIR

SKU: ZEPHYRMS

Designed for performance, comfort, and everyday durability, the Zephyr Chair is a dependable seating solution for modern workspaces. With its clean, professional look and ergonomic design, Zephyr delivers all-day support without compromising on style.

The breathable mesh back promotes airflow to keep you cool, while the generously padded seat provides lasting comfort throughout long work sessions. Adjustable armrests offer additional support and flexibility, allowing users to tailor the chair to their preferred working position. The sturdy five-star base with smooth-rolling castors ensures stability and easy mobility across office floors.

Backed by a 5-year warranty, the Zephyr Chair is a reliable, high-performance seating solution ideal for offices, education spaces, and collaborative environments.
