RAPIDLINE
WORKSTATIONS

Rapidline offers a complete range of commercial-grade workstations with advanced features, available in a range of sizes and finishes to suit all workspaces.

Supported by commercial warranties, and selected from Sedex compliant factories, you can have peace of mind that Rapidline workstations maintain high quality standards and are built to stand the test of time.

With warehouses across Brisbane, Sydney, Melbourne, Adelaide, and Perth, and a local customer service team in each state, Rapidline can provide workstation solutions off the shelf, available for immediate delivery.

BOOST STATIC & BOOST LIGHT WORKSTATION RANGES

As popular altenatives to our Rapidline Boost+, Boost Light and Boost Static are here to stay with their quality features and affordable price tag.

As an alternative to the popular Boost+, the Boost Light features a single motor with 80kg lifting capacity and 25mm per second height adjustment. Available as a straight, open desk, with cable tray and privacy screen options.

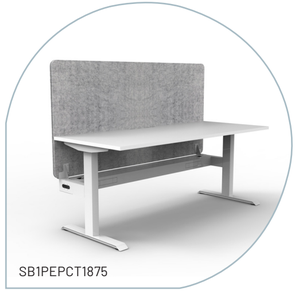

The Boost Static is a fixed-height workstation which perfectly complements the Boost+ range. Available in single, back to back, and corner workstations, the Boost Static is designed to meet your daily needs by combining functionality, durability, and a sleek aesthetic.

Backed by a 10 year warranty across both ranges

BOOST+
WORKSTATION RANGE

The Rapidline Boost+ continues to lead the way in height-adjustable workstation solutions within the commercial furniture industry.

With low noise emission and easy assembly, Boost+ goes above and beyond to meet and exceed the Australian standards for height-adjustable workstations across the board.

Featuring advanced anti-collision and anti-tilt technology, quiet adjustment at 38mm per second, and a 120kg+ weight rating, this workstation ticks all the boxes for durability and stability, while being easily operated from the touch of an LED digital controller.

Available in a variety of configurations including single, corner, back to back, and a two-piece executive workstation—all with optional screens and cable trays.

Backed by a 10 year warranty across the range.

HALO STATIC
WORKSTATION RANGES

Designed for the modern professional, the Halo Static Workstation range is a refined solution for a productive workspace.

Its E0-rated tabletop provides a sturdy surface, while the rigid edging and a discreet 50mm scallop cutout make cable management effortless, ensuring your desk remains clean and organised. The sleek, minimalist underframe, available in Black Satin or White Satin powdercoat, adds a touch of sophistication to any room.

You can further customise your setup with optional features like a fully ducted cable tray or an upholstered privacy screen, creating a truly personalised environment.

Available in single, back to back, and corner variants.
